“ I called Alberta O'Connor "Ms. Bert." Ms. Bert kept us laughing and light hearted, she was a real good listener and took her job as a receptionist for the front desk @ our Law Dept. very seriously. I can remember when I became divorced, started dating again and two of my gentleman callers called the front desk...Ms. Bert buzzed my line & said something like, "Joyce, you have two calls, Lord "This is the Young & Restless!"line 3322 & 3309....she just kept you laughing with her beautiful spirit and lovely spirit. She will be missed dearly. I regret that I did not spending more time with, Ms.Bert because she was such a lovely soul! . May she rest in Gods' Beautiful Paradise!!

“ Albertha or "Bert" was a friend. She would tell it like it is with no hesitation. She had a good spirit and was very funny. We worked together for years at City Hall. She would do anything you ask her to do, and would lend a helping hand. You will be missed, but I know you are in a better place, sitting at the right hand of God, our Heavenly Father. Rest in Peace.

“ I've lost a best friend and it's hard to believe that she is gone. When I think of her, only funny and fond memories come to mind, and she kept me in stitches. We always talked on the phone about our family, our problems and always laughed to the point of tears. It's funny, when I thought about calling her, she would ring me and when she would think about calling me I would ring her phone. I find my self still thinking, I have to call Bertie and then I remember, my friend has gained her heavenly wings. God must be tickled pink right now with the laughter and joy she is providing. Until I see you again my friend. Rest In Peace
