“ Pulliam Family,  
My condolences go out to the family.  
Mrs Barbara you will be Greatly missed. Family she's only sleeping right now. She's taking her rest waiting for the time when we all shall arrive at the pearly gates. OHHH what a time we're going to have once we get there. Singing and shouting 24/7, never never goodby, we're going to walk the streets of Gold, we're going to sit down and never get tired. Rest on Mrs Barbara, because when God call we must answer and you did just that.
