“ To know Gus was to love him. Gus was a true gentleman, even in elementary school. He was always so polite, well mannered and studious. He never met a stranger and was always so full of free information on living a Christian life. Family, my condolences to you because you have lost such gracious part of your family. May you feel the blessing of knowing Gus is in a better place - at peace in the presence of the Lord.
God Bless You and stay strong. Death can never take away memories of your loved one.

“ Gus will be missed not only by his family but his friends as well. I knew Gus all of his life. We went to school together from elementary school through high school. As I remember, Gus had a 1941 Chevy that we used to go to sporting events and fishing. Gus was a kind person who was always willing to help others. My deepest sympathy to his family.

“ I will continue to pray for strength and healing for my Aunt Lou Ester and my cousins and their children. My condolences go out to the family and friends of Uncle Gus. This time will not be easy for us, but with God’s help, we will get through it.

Uncle Gus has always been a calming spirit and source of information, for me. There have been numerous occasions when he had an informative word and offered a prayer, to me and my family. I know this kindness was not just giving to me. This just speaks to the type of person he was. He loved his family dearly and would share his world with all. Uncle Gus will truly be missed, but never forgotten.

While I grieve knowing that he is no longer with us, I am comforted in knowing he is with the Lord. Rest on Uncle Gus and enjoy your crowns.

“ This Tribute Wall is not big enough to list the impact that Mr. Blunt had on everyone. I met my best friend Tyclie in 2001 when we worked together at the Red Cross, and I met her family as well. Mr. Blunt had SO many stories to tell. He had lots of wisdom and loved to give advice. He truly believed in his prayer cloth:). I had the opportunity to touch it, and he prayed with me over the phone agreeing that God would bless me with a new job. After praying with me, two weeks later, I was offered a job (however, I had to quite because of the Supervisor..LOL).

I remember his stories about how his life was in New York and how at times it was difficult to provide for his family but with God's help, he was able to do so. He LOVED God, his family, football, and The Blunt family LOVED Golden Corral Buffet & Grill...LOL. He loved to tease Tyclie and I about going to the club to "jump"...LOL. He will truly be missed. However, take comfort in knowing that no matter how many years your loved one is here on earth, it can't compare to the "number of years" (eternally) that you will get to see him again:)

May God comfort you & your family & give you strength.
Love....Carren

“ Thank you, Carren,, from Tyclie Blunt

Tyclie - May 13 at 06:42 PM

“ I met Mr Blunt and his lovely wife Lou Esther between the late 1980's to early 1990's. I met this couple through my son, Brennen, who was befriended by their daughter Tyclie.

What a wonderful and kind couple.

Mr, Blunt was always encouraging in actions and in words. He was always sharing his faith in God recognizing Jesus Christ as the Son of God.

He was a good provider, supporter and advisor to his family as well as those who were in his life . He was always trying to help as best as he could whether it was in his actions or in listening to all who came to share their stories with him.

I will never forget Gus Blunt because of the support he gave to my son. He was like a father figure to Brennen. For Brennen father passed away when he was 14 years old.

I will end my story by saying Rest In Peace Gus and know all your hard work will never be forgotten. Your legacy will continue to be carried on this earth by those who were blessed to have known you—your family and friends.

Love you,
