Josephine M Dorsey went to be with her savior January 21, 2022. She was Born on April 4, 1946 in Baltimore, Maryland To Late Helen Cheatham & David Morgan. As the second oldest of five, she loved her big family; as she often spoke of their activities and family outings. Peggy (as she was lovingly called) enjoyed everything from Karate to roller skating. She was blessed with an infectious laugh that you would hear as she told you the stories she held close to her.

She was a proud Paul Laurence Dunbar High School Graduate of class “1965”. She represented her high school to the fullest with pride and dignity. As a proud member of the illustrious “Dunbar Alumni”, she also attended Coppin State University. During her time at CSU, she was a member of the “Order of the Eastern Star”. With doing so, she encouraged all friends and family to stay on the path to success in whatever they chose to do with her wisdom as guidance.

Retiring from Johns Hopkins Hospital as Patient Service Coordinator with thirty plus years of service at the highest level, she obtained many certifications and accolades. Peggy was always an asset to her team on any project she tackled.

Holidays with Peggy were always a treat to say the least. She would host family, friends, and friends of friends. You could always count on hearing stories of her childhood with her siblings and friends covering all topics that were full of love and laughter.

Mrs. Dorsey would always be accompanied her husband Mr. James Dorsey, who was never far behind; and looking their sharpest at all times. With thirty-two years of marriage under their belt, anyone who was ever in the company of this tag team; could see why they worked so well together.

Joining her two brothers (David Cheatham & Charles Mack Jr.) in the after life whom she loved dearly. She is survived by a loving husband James Dorsey, a caring son Brian Cheatham; a protective brother Edward Cheatham, and doting sisters Jacqueline Jones,

and Linda Felix. One sister in law Yolanda Cheatham, and one brother in law Terry Felix. With over 20 nieces and nephews, and one daughter in law along with many friends to count and countless connections of those she touched throughout her life.

“ I can recall one evening sharing a chat with Aunt Peggy. She shared with me that one of her favorite songs was Sarah Smile by Daryl Hall and John Oates. At that point I knew she was weird but I love that song also. So I guess we are both weird. I'll miss you ❤️ With love David Jr.
