“ Shaniece my dear, after all these years long time no see. I saw you for the last time today and nothing made sense to me. How can someone so full of life be so...asleep. Ive struggled with these feelings deep inside but in all I have to say. You were a force to be reckoned with and you taught me so much. I loved with you, fought with you and beside you. You taught me to speak up for myself, you taught me how to look out for the misunderstood. And today you taught me what true forgiveness was. I promise Ill take care of Alaan and love her like you did. Thank you for being in my life and thank you for the family youve given me. And I will never forget you, you always have a place in my heart.

Thank you Jesus for the oppourtunity to know her and I wont let it be in vain. Amen.

“ Farewell Shaniece(Shu-Shu #2- as I call you) Gonna miss seeing that smile & hear you say Ms. Robin... or Mama Robin... This is another hard one for me, you were like one of my babies, like my niece to me since the 1st day I met your mom when you were 2, I watched you grow up & become a mother. You & Brandon were close. May your soul find peace as you rest. Love you always,
Mama Robin
