

## Mrs. Sheila Willis Kapp,

March 28, 1958 - July 30, 2020

Sheila Kapp was born Sheila Ann Willis on March 28th, 1958 in Junction City, Kansas to Edward and Blanche Willis. Being raised in a military family, Sheila turned to her active imagination and TV as a form of entertainment which would be a lifelong trait. She also honed her natural flair by joining creative writing and dramatic arts clubs while in grade school.

Sheila was the last-born child to Blanche and Edward. She would always be known as the baby of the brood; a title she would relish for life. After relocating from Kansas to Germany, the family would eventually settle in Aberdeen, Maryland. Sheila would forever be a Harford County girl. She graduated with a degree in nursing from Harford Community College and would later continue her studies at the College of Notre Dame. She embarked in a lifelong career in psychiatric medicine at Johns Hopkins Bayview. Being an RN was her passion. For 25 years she would share her caring nature with countless patients as well as developing deep and rewarding friendships with her coworkers. Amongst other awards, Sheila was especially proud for being awarded Nurse of the Year.

Sheila would eventually settle in a charming house in Abingdon which she would fill with love and care for more than 20 years. She adored opening her home up for family events where she would get the opportunity to host her beloved family. It goes without saying that Sheila truly loved her family. She was always close to her brothers and sister as well as her many cousins, nieces and nephews. One of Sheila's greatest joys came from mothering her son, Ian. They had a lifelong companionship which will stand eternal.

“ My deepest sympathies to the family. Sheila was a beautiful person. Although I had not seen her in years. I often thought about her. May God Place peace and comfort in the hearts of the family.

“ Ms. Sheila was an amazing friend and perfect neighbor to me and my family for almost 20 years. She would always smile and stop to chat, commenting on how big my kids were getting. Our hearts are broken over her passing, but we take solace in knowing that she is in a better place now. Our lives have been forever blessed because we knew her.

“ Sheila was an amazing friend to me and I was blessed to have met her. We had a lot of laughs together. Her hugs could always make you feel like you were cared for and she always had a shoulder to cry on or an ear to give you to hear you out. Sheila gave the most sound and honest advice. She helped anyone who needed it, regardless of where she was in life. She was truly a beautiful person and she will be missed.

“ I worked with Shelia for many years at Bayview. She was a great person, fun, funny and we always laughed together. She was a good nurse and always treated everyone with respect. She loved her family and especially her son. I saw pictures of him from the time he was young until he was older. I will miss her. With my deepest sympathy my thoughts and prayers go out to her family.

Fondly,

“ I have a lifetime of memories to share of my beloved Auntie, kind of sister since we are only one year apart with her being the elder that I don't know where to begin. I do know she was a selfless, generous person that devoted herself to her friends and family and i will miss that free spirited strong wild person that I came to love. She always made sure to call me if she thought I needed anything which mostly I refused but I'm going to miss her always thinking about me or asking me to ride with her to take something to her brothers or just hang out shopping with her at our local Walmart mostly where we could catch up on things together! You Rest well my Sweet Aunt and tell our family hello
